Buildings-Police-South Kanara district-Sullia Police Station-Construction of a septic tank latrine Estimate.

From the I.G. of Police, R.C.No.1484/HB/48, dated 27-4-49

The I.G. of Police has submitted for the sanction of the Government plans and an estimate amounting to Rs 2850/- for the construction of a septic tank latrine with four seats in the Police lines at Sullia in the South Kanara district. The work involves the use of iron materials and the Director of Controlled Commodities has issued the necessary permit for the purchase of the iron materials.

2. The Ex-H.Sr. minuted that all building schemes should be deferred unless they are immediately essential. With a view to combat inflation, the Govt. have also ordered that in the case of even sanctioned works, where much progress has not been made, steps should be taken to postpone the works or slow down their progress. The I.G. of Police has reported that there is no latrine in the Police lines at Sullia, that great difficulty is experienced by the men and their families, and that the construction of a latrine is therefore very urgent and essential.

3. In the circumstances stated in para 2 above, this Dept. may support the proposal of the I.G. of Police. The file may be sent to the P.W. and Fin. Depts. for remarks.
